AP 4			
Modification Proposal Description			
<i>Clearly state the desired amendment and all text formula changes to the code and/or Attach further information if necessary</i>			
<p>At present, AP 4 allows for any user, who has access to make registration updates for an MP using the MPR, to modify bank account details. AP4 (Page 8) makes reference to ‘<i>approval time of up to 2 Working Days from date of submission</i>’ for such updates, however, no further interaction with the MP is detailed.</p> <p>A manual step should be introduced to the Agreed Procedure where a user in the SMO must contact two named signatories in the impacted Market Participant organisation to confirm this change in writing before it is applied.</p>			
Modification Proposal Justification			
<i>Clearly state the reason for the Modification. Attach further information if necessary</i>			
The process, at present, does not allow for approval at an appropriate level for such a significant change to Market Participant details.			
Implication of not implementing the Modification			
Concern that Bank Account details will be updated incorrectly causing significant impact to the MP and subsequently to the Market as a whole.			
Please return this form to Secretariat - e-mail (modifications@allislandmarket.com), fax (tbc), postal address (tbc)
