SEM Committee Decision for the Regulatory Authorities in relation to Mod_04_24 (Final Recommendation FRR_04_24)

Dear Esther,

On 25 July 2024, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod_04_24 'SEMO Housekeeping 2024' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod_04_24 was submitted to the Modifications Committee by SEMO on 5 June 2024 and discussed and voted on at Meeting 123 on 20 June 2024.

This Modification, proposed by SEMO, addresses a minor formatting error in the TSC. The adjustments provide transparency and consistency to the TSC, but do not affect the legal interpretation of the TSC.

The RAs note that this Modification was recommended for approval on a unanimous basis by the Modifications Committee.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee directs that a Modification, as set out in Appendix 1 of FRR_04_24, is implemented on a Settlement Day with effect from two Working Days after this letter is issued.

Yours sincerely,
