

Changes to be included in FRR for Mod_09_21 'Housekeeping 2021'

17 June 2021

Current vs new text

- 2. The Licensed Generator and the Intermediary are parties to a contract (“the Contract”) which satisfies criteria for appointment of an Intermediary pursuant to Regulatory Authorities’ Decision Paper **SEM/20/063**. The Licensed Generator wishes to appoint the Intermediary to act as the Participant in respect of the Units under (i) the Trading and Settlement Code, and (ii) the Capacity Market Code, and the Intermediary wishes to accept such appointment, in accordance with the following terms.
- 2. The Licensed Generator and the Intermediary are parties to a contract (“the Contract”) which satisfies criteria for appointment of an Intermediary pursuant **to the latest** Regulatory Authorities’ Decision Paper **concerning Intermediary arrangements**. The Licensed Generator wishes to appoint the Intermediary to act as the Participant in respect of the Units under (i) the Trading and Settlement Code, and (ii) the Capacity Market Code, and the Intermediary wishes to accept such appointment, in accordance with the following terms.
