SEM Committee Decision for the Regulatory Authorities in relation to Mod_10_21 (Final Recommendation FRR_10_21)

Dear Esther,

On 21 May 2021, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod_10_21 'Temporary Flexible Seat' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod_10_21 was submitted to the Modifications Committee by the Regulatory Authorities on 14 April 2021 and discussed and voted on at Meeting 104 on 28 April 2021.

This temporary Modification aims to allow the Regulatory Authorities to appoint a new Flexible Participant Member to the Modifications Committee for a two-year period in order to ensure that unit types within this group are adequately represented on the Modifications Committee. This will be carried out through an existing provision in Section B.17.3.4 of the Trading and Settlement Code and this Modification involves temporary changes to the Glossary of the Code

to define a Flexible Participant and Nominating Flexible Participant for the purpose of the Modifications Committee.

The Regulatory Authorities note that this Modification was voted for approval on a unanimous basis by the Modifications Committee.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee direct that a Modification, as set out in Appendix 1 of FRR_10_21, is implemented on a Settlement Day basis with effect from one Working Day after this letter is issued.

Yours sincerely,
