**SEM Committee Decision for the Regulatory Authorities in relation to Mod\_12\_20 (Final Recommendation FRR\_12\_20)**

Dear Esther,

On 9 February 2021, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod\_12\_20 'Amendments to DRB Process' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod\_12\_20 was submitted to the Modifications Committee by the Regulatory Authorities on 13 November 2020 and discussed and voted on at Meeting 102 on 3 December 2020.

This Modification aims to make a number of changes to Section B.19 of the Code and Agreed Procedure 14 to improve the process for appointing members to the DRB for a Dispute and provide for recommendations as part of DRB decisions for Modifications to the Code to be considered where no form of remedy is currently available under the Code. The Regulatory Authorities note that the Committee voted on a unanimous basis to approve the Modification.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee direct that a Modification, as set out in Appendix 1 of FRR\_12\_20, is implemented on a Settlement Day basis with effect from one Working Day after this letter is issued.

Yours sincerely,
