SEM Committee Decision for the Regulatory Authorities in relation to Mod_13_20 (Final Recommendation FRR_13_20 V2)

Dear Esther,

On 8 March 2021, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod_13_20 V2 'Transparency of DRB Decisions' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). Mod_13_20 was submitted to the Modifications Committee by the Regulatory Authorities on 19 November 2020 and Version 2 was discussed and voted on at Meeting 103 on 11 February 2021.

This Modification will allow for decisions of the DRB to be made publicly available, while maintaining the confidentiality of disputing parties, which will ensure that the decisions of the DRB are transparent and information is available to all interested parties. The Regulatory Authorities note that the Committee voted on a unanimous basis to approve the Modification.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee direct that a Modification, as set out in Appendix 1 of FRR_13_20 V2, is implemented on a Settlement Day basis with effect from one Working Day after this letter is issued.

Yours sincerely,
