The Secretariat welcomed all to Capacity Market Workshop 26B explaining that an Urgent Modification was raised and therefore this Workshop was convened at short notice.

2 NEW URGENT MODIFICATION

2.1 CMC_11_22

Uregni presented the Modification Proposal.

The Proposer gave an overview of the Modification Proposal noting that following a decision by the SEM Committee on 10th August 2022, this Modification would introduce a downward adjustment to de-rated capacity for Candidate Units with a limit on their annual run hours. Assurance was provided that additional de-rating factors would be applied for new units only. Comments and questions were received from Participants and actions were noted below.
