**SEM Committee Decision for the Regulatory Authorities in relation to Mod\_02\_25 (Final Recommendation FRR\_02\_25)**

Dear Esther,

On 24<sup>th</sup> July 2025, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod\_02\_25 '*SEMO Housekeeping 2025*' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod\_02\_25 was submitted to the Modifications Committee by SEMO on 4<sup>th</sup> June 2025 and discussed and voted on at Meeting 129 on 19<sup>th</sup> June 2025.

This Modification, proposed by SEMO, proposes to make a number of amendments to the TSC to either correct errors or updated references. The amendments provide transparency and consistency to the TSC, and do not affect the legal interpretation of the TSC.

The RAs note that this Modification was recommended for approval on a unanimous basis by the Modifications Committee.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee directs that a Modification, as set out in Appendix 1 of FRR\_02\_25, is implemented on a Settlement Day with effect from two Working Days after this letter is issued.

Yours sincerely,
