Dear Esther,

Modification Proposal Mod_05_25 was submitted to the Modifications Committee by EirGrid on the 18th of November 2025. The Modification Proposal was discussed at Modifications Committee Meeting 132 and voted on at Modifications Committee Meeting 133 on Wednesday 4th March 2026.

This Modification Proposal is aimed at facilitating the entry of additional NEMOs into the SEM in line with EU regulatory requirements.

The RAs note that Modification Proposal Mod_05_25 was recommended for approval on a unanimous basis by the Modifications Committee.

Considering the above, and in accordance with Paragraph B.17.20 of the Trading and Settlement Code, the SEM Committee directs that a Modification, as set out in Appendix 1 of FRR_05_25, is implemented on the first available date following the deployment of the Strategic Market Programme which will deliver the required system changes related to this Modification.
