SEM Committee Decision for the Regulatory Authorities in relation to Mod_02_26 ‘Synchronous Condenser SDP_06 Clarifications’ (Final Recommendation FRR_02_26)

Dear Esther,

On the 13th of July 2026, the Modifications Committee submitted its Final Recommendation Report (FRR) regarding Modification Proposal Mod_02_26 ‘Synchronous Condenser SDP_06 Clarifications’ in accordance with Paragraph B.17.18.1 of the SEM Trading and Settlement Code (TSC). Modification Proposal Mod_02_26 was submitted to the Modifications Committee by EirGrid and SONI on the 4th of June 2026. The Modification Proposal was raised and voted on at Modifications Committee Meeting 135 on 18th June 2026.

This Modification Proposal aims to ensure that TSC definitions and provisions that apply to Synchronous Condenser Units (SCUs) are clearly specified and consistently applied.

The RAs note that Modification Proposal Mod_02_26 was recommended for approval on a unanimous basis by the Modifications Committee.

Considering the above, and in accordance with Paragraph B.17.20 of the Trading and Settlement Code, the SEM Committee approves this Modification Proposal, as set out in Appendix 1 of FRR_02_26, to be implemented on a Trading Day basis and to be made effective on the first available date following the delivery of the required system changes.

Yours sincerely,
