**SEM Committee Decision for the Regulatory Authorities in relation to Mod\_02\_20 (Final Recommendation FRR\_02\_20)**

Dear Esther,

On 10 March 2020, the Modifications Committee submitted its Final Recommendation Report (FRR) with regard to Modification Proposal Mod\_02\_20 'Housekeeping Feb 2020' in accordance with Paragraph B.17.18.1 of Part B of the SEM Trading and Settlement Code (TSC). The Modification Proposal Mod\_02\_20 was submitted to the Modifications Committee by the Single Electricity Market Operator (SEMO) on 6 February 2020 and discussed and voted on at Meeting 97 on 20 February 2020.

The Regulatory Authorities understand that this Modification aims to address a number of minor errors and inconsistencies in the Code and does not materially change any paragraphs of the Code. The Regulatory Authorities note that following a presentation of the proposed changes, the Committee voted on a unanimous basis to approve the Modification.

Considering the above, and in accordance with Paragraph B.17.20 of the Code, the SEM Committee direct that a Modification, as set out in Appendix 1 of FRR\_02\_20, is implemented on a Settlement Day basis with effect from one Working Day after this letter is issued.

Yours sincerely,

**Barry Hussey**
